## Campus and Classrooms

Far from the maddening crowd Green Valley School is spread over 3 acres of well developed and sprawling green air conditioned campus. Well designed and spacious classrooms for teaching learning process. And add to this the comfortable seating arrangements for students. An awe inspiring Wi-Fi enabled infrastructure. To aid the process of learning we have a sound proof auditorium and indoor games.

## Flowerets

Flowerets is the youngest entity of Green Valley School. Colorful, pulsating and full of activity, show cases happiness in its most vibrant form. A home away from home, flowerets is a culmination of care and creative talent.

Children are nurtured in a comfortable learning environment. More than morals, efforts are made to inculcate good habits among tiny tots. It is here that the children are prepared for future schooling through informal experiential learning.

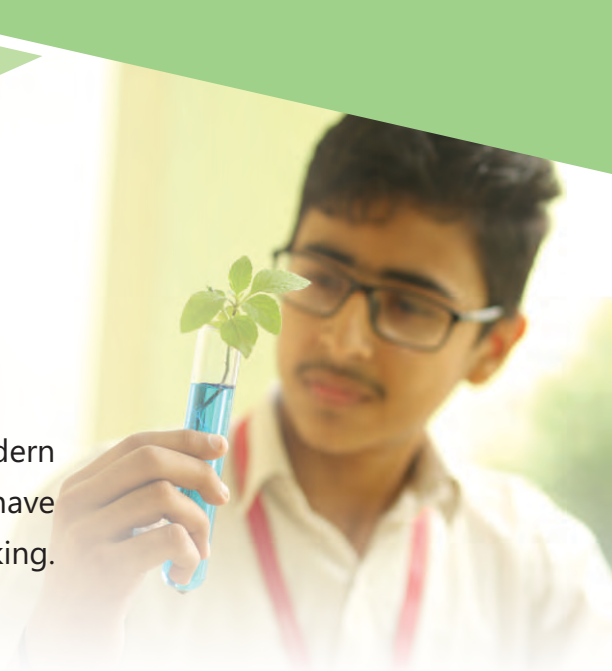

## Laboratories

The laboratories being the core facility have most modern equipments conforming to highest standards. The laboratories have been planned with absolute care to ensure safety while working. Each lab is spacious enough for students to work comfortably.

## Physics Lab

The flat topped tables used as students workstations allow multiple arrangements and combinations for laboratory work and small group activities. The equipment ranges from lens, magnet, spring balance, prism to advanced apparatus like voltmeter, ammeter, resistors, diode etc.

## Chemistry Lab

Chemistry laboratory provides a platform for students to nurture the budding scientist within them. The students are provided with separate workstations with burners and plug points. The acids and other reactive chemicals are stored in separate locked cupboards as a precautions measure.

## Biology Laboratory

The lab has charts, models and specimens meant for demonstrations. The laboratory apparatus ranges from simple slides, test-tubes to composite microscopes of varying powers to observe samples closely.

## Computer Lab

The school has put special emphasis on computer learning for students to make them computer expert and teachers computer savvy. The lab is equipped with latest systems with required copies of licensed software.

## Library

The school library is a part of school's teaching and learning environment. The purpose of school library is to help every member of school-student, staff and families and gain new knowledge, skills and personal development that they will use throughout their lives.

# SPORTS

## FACILITIES

Sports are inherent part of curriculum at Green Valley Sr. Sec. School. We nurture student's sporting talents in indoors (Chess, Carrom, Ludo etc.) and outdoors (Kabaddi, Kho-Kho, Tennis, Basket Ball etc.). Sports build character and teach the importance of discipline. It also inculcates respect for rules and value of self control.

## Medical Camp

Health Check-ups in school are important as they help to assess normal development of child and keep track of immunization schedule. Through health checkups we keep the school safe from medico-legal view point.

## School Trips

Field trips are an important part in a student's life. The purpose of trip is to educate the students with real life applications. These trips provide students with greater lessons for life like sharing, caring, management skills and being independent.

## Transport

The need for safe passage of each child to school and back home is of paramount importance to us. To ensure safe travel the school has its own fleet of school buses designed as per standards and manned by trained drives.

## Auditorium Hall

The Auditorium is definitely a pride colossal structure of Green Valley Sr. Sec. School. The sound proof auditorium hosts numerous events. It is fitted with a projector, effective and modern light and sound system.
